WARRANTY (Limited)

University Sound Electronic Components are guaranteed for one year from the date of original purchase against malfunction due to defects in workmanship and materials. If such malfunction occurs, unit will be repaired or replaced (at our option) without charge for materials or labor if delivered prepaid to University Sound. Unit will be returned prepaid. Warranty does not extend to finish, appearance items, or malfunction due to abuse or operation under other than specified conditions, nor does it extend to incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion may not apply to you. Repair by other than University Sound will void this guarantee. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

BPT-100

Belt Pack Transmitter

DESCRIPTION

The BPT-100 Belt Pack Transmitter is used with the DWR-100 Diversity Receiver to form the University Sound Diversity Wireless System. The transmitter requires a 9-volt alkaline battery (not included) for operation. Accessories supplied include: a belt pack pouch with shoulder strap, a vinyl storage box for when the transmitter is not in use, and an unbalanced cable with a HiRose connector on one end and a 1/4-inch connector on the other for hook-up to any instrument. For further information on the Belt Pack Transmitter, see the Diversity Wireless System Owner's Manual.
